OVER AND UNDER
For Amusement Only

It's a brand new way to greater amusement profit from SIRCOMA.

The game deals two cards and the player bets for one in-between. He can play 1 to 20 credits, and upon seeing his cards he can raise the ante equal to the amount of his initial bet.

Fun and exciting, "OVER AND UNDER" guarantees amusement managers top earnings!

Bright tones let the player know what's happening. His credit awards are governed by the card spread. And, of course, amusement operators will be glad to know that "OVER AND UNDER" comes with SIRCOMA's accounting features.

Features:

- Credit register
- Micro-processor based circuitry with back-up battery for memory
